

Sofia Munk

Textile Designer

PROFILE

Danish textile designer based in Paris with experience in print design with focus on creating knitted and woven textures.

PERSONALITY

Teammaker, responsible and detail oriented, but also good at managing projects under pressure. Focused and serious colleague. And fun to be around.

CV

RECENT EXPERIENCE

2021

Textile Designer. Henrik Vibskov

- Print design
- Adobe Package
- Cooperation

During this 6 month internship, my main role was creating prints and preparing files for knit and weave production.

2021

Exhibition. La Fondation Danoise Paris

- Textile manipulations
- Knit design

This exhibition of my textile installation consists of in total 14 long thin strips made either by machine knit, digital knit or polyester manipulations with japanese shibori techniques.
